Art Basel Area Map

Art Basel Sectors

Galleries

Art Basel's core sector, with 229 of the world's leading Modern and contemporary art galleries showing 20th- and 21st century works.

Nova

25 galleries present works created within the past three years by one, two, or three of their artists. This sector often features never-seen-before pieces fresh from the artist's studio and strongly curatorial juxtapositions.

Positions

15 galleries spotlight an emerging artist with one exciting project, allowing visitors to discover ambitious new talents.

Survey

Featuring 17 precise art-historical projects, including presentations by an individual artist, juxtapositions, and thematic exhibits by artists representing a range of cultures, generations, and artistic approaches.

Kabinett

In a separately delineated space within selected booths of the Galleries sector, diverse curatorial concepts are presented, including thematic exhibitions, solo shows, and art-historical showcases.

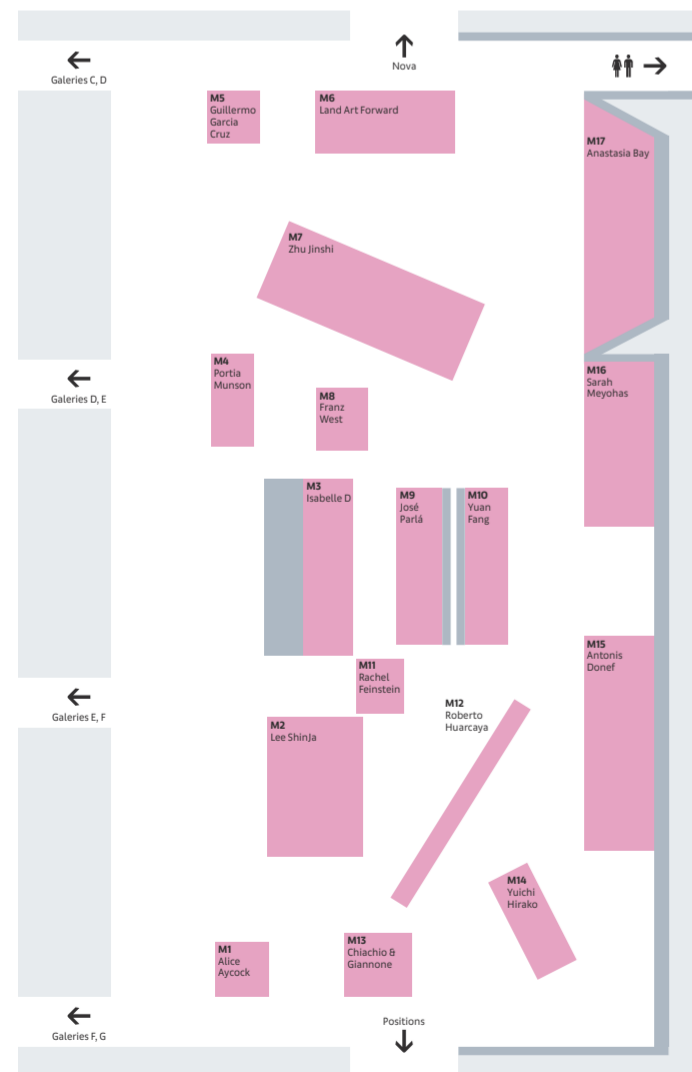

Meridians

Art Basel's exhibition platform showcasing 17 projects that transcend the classic fair booth, including large-scale sculptures, paintings, installations, video projections, and performances. Curated by Frankfurt-based Yasmin Raymond.

Magazines

Art & Lifestyle publications from around the world display their magazines at individual stands or at the collective booth.
